Unsure of your career path?

You may want to consider becoming a . . .

FOREMAN

BRADSHAW CONSTRUCTION CORPORATION 175 W. LIBERTY ROAD ELDERSBURG, MD 21784 PHONE 410.970.8300 FAX 410.970.8340 WWW.BRADSHAWCC.COM

A successful Tunnel Foreman must be physically fit for underground work and be comfortable climbing/crawling within these confined spaces. Above all, foremen must make certain safety is first. The most efficient jobs are always the safest, and the preparation, production, and quality of work generated by each crew is dependent upon an experienced foreman.

GENERAL REQUIREMENTS

- *Responsible for the assignment of daily work, taking into consideration their crew's training, experience, and ability,*
- *Ensures all safety issues are addressed, their crew is properly trained, and the appropriate PPE is provided to perform assigned tasks,*
- *Communicates regularly with superintendent regarding work load, supplies, and jobsite conditions,*
- *Provides leadership ability, by conducting themselves in a safe manner at all times,*
- *Travel is required – Eastern United States.*
